RE: Budget Amendments

There were three amendments to the budget on Monday evening. The amendments consisted of the following:

Amendment 1:

Removal of the proposed 3% pay for performance increase from all funds. This decreased the General Fund budget by \$525,293 (not the \$771,818 as stated in the amendment) and reclassified expenditures in the other funds to either Professional Services or Fleet Parts and Fuel.

Removal of the proposed \$6,534,851 from the General Fund "Supplemental Requests." This was offset by reducing one-time revenue from the sale of the land at Swan Ranch and reducing the revenue from reserves line items to zero.

Amendment 2:

Added expenditures to the General Fund as follow:

- a. \$16,268 added to Facilities Maintenance
- b. \$65,156 added to Police Administration for supplemental items
- c. \$292,473 added to Police Patrol for supplemental items
- d. \$45,126 added to Fire Administration for IAFC dues and Cradlepoint Wireless Connectivity
- e. \$50,000 added to Fire Training
- f. \$125,000 added to Fire Suppression for overtime
- g. \$30,000 added to Treasurer to create interfaces between POS and ERP software
- h. \$40,000 added to City Engineer to cover 50% of reclass employee (Project Engineer)
- i. \$6,000 added to Planning and Development to historic preservation grant match
- j. \$21,000 added to Economic Support for the Animal Shelter
- k. \$50,000 added to Special Projects for Abandoned Building fund
- l. \$10,000 added to Public Works for fuel costs for pool vehicles

This added \$751,023 to the General Fund budget and we only had \$525,293 in budget cuts in Amendment 1. At this point the General Fund budget is out of balance by \$225,730.

To balance the budget, we are able to make cuts to the following Departments without affecting services to the public. The cuts are as follows:

- a. \$60,000 from General Accounts WARM premium
- b. \$5,000 from City Council Temporary Employee Admin Assistant
- c. \$524 remove amount going to reserves
- d. \$6,000 Health Insurance Human Resources
- e. \$10,000 Health Insurance City Attorney
- f. \$3,000 Health Insurance City Clerk
- g. \$7,000 Health Insurance Public Works
- h. \$38,000 Health Insurance Fire (3 Divisions)
- i. \$10,000 Health Insurance Community Recreation and Events
- j. \$9,916 Health Insurance Treasurer
- k. \$33,000 Health Insurance Planning and Development

Added revenue to General Fund as follows:

- a. \$43,290 Transfers-In from Solid Waste Fund 023

By reclassifying the expected expenditures from the "Supplemental Budget" to the "Standard Budget" and re-calculating the amount due to the General Fund for the "Franchise Fee" 5% of the Standard Budgeted Expenditures we increased the amount owed to the General Fund by \$43,290. This increase in revenue along with the cuts listed above closed the \$225,730 deficit to the General Fund to zero and therefore once again we have a balanced budget.

Amendment 3.

Add \$1,000,000 Revenue from Reserves

Add \$629,000 to purchase SCBA for Fire

Add \$371,000 to be spent at the Mayor's discretion
