Resolution No. _____

The governing body of the City of Cheyenne is required by City Code to approve by resolution all properties to be added to and removed from the City's Contributing Structures List.

Facts bearing on this request are as follows:

1. The city originally nominated this district to the National Register of Historic Places in 1980; it is the oldest residential neighborhood listed on the National Register in Cheyenne.
2. The CHPB applied for a Certified Local Government Grant in November 2017 to expand the existing district. The grant was approved by the State Historic Preservation Office in December 2017 for the amount of \$12,500.00. The expanded area in general was from 29th Street north to Pershing Boulevard and Bent Avenue east to Warren Avenue.
3. A Request For Proposal (RFP) was sent out in February 2018 to consultants; the project was awarded in April 2018.
4. The first public hearing was held on June 6, 2018 in Pando Park to inform the neighborhood of the project work that was about to begin. The neighbors were notified via letter through the USPS and a notice was published in the Wyoming Tribune-Eagle; there were thirteen (13) neighbors in attendance.
5. The consultant performed the necessary work over the summer. A second public hearing was held September 11, 2018 at the Municipal Building to update the neighborhood on the status of the survey and the draft report. The neighbors were again notified via letter through the USPS and a notice was published in the Wyoming Tribune-Eagle; there were four (4) neighbors in attendance.
6. Further refining of the survey forms and the draft National Register of Historic Places nomination was needed. A third public meeting was held on April 9, 2019 at the Municipal Building to inform the neighbors of the contributing/noncontributing status of the properties. The neighbors were notified via letter through the USPS; there were five (5) neighbors in attendance.
7. A fourth public meeting was held on May 14, 2019 at the Municipal Building for any final comments from the Board or the neighbors regarding the boundary, contributing/noncontributing list or the draft nomination. The neighbors were notified via letter through the USPS and a notice was published in the Wyoming Tribune-Eagle; there were six (6) neighbors in attendance. The Board approved the contributing/noncontributing list and the draft nomination with some minor staff edits to expand the Capitol North Historic District and moved to update the Contributing Structures List.
8. Additional neighborhood notification will take place in June 2019. The CHPB Board members will walk through the neighborhood with property information and deliver to each property owner. Those neighbors that are unreachable during this outing will be notified via mail through USPS in June or July 2019.
