## MEMORANDUM

---

**TO:** Mayor Marian Orr, and City Council  
**FROM:** Sara Vasquez, Purchasing Manager *SV*  
**DATE:** April 4, 2018  
**SUBJECT:** Consideration to purchase twenty (20) premium Ice Bumper Cars to be used at the Ice & Events Center for the City of Cheyenne Community Recreation & Events Department from IBC International, Steamboat Springs, CO.

---

The Ice & Events center is looking to purchase twenty (20) premium ice bumper cars in the amount of 148,700.00.

This is a sole source purchase through IBC International, Steamboat Springs, CO. They are the only manufacture and distributer of ice bumper cars in the United States.

Funding Source: 022-26-2614-45-43102 (1% Sales tax 15-18)

## REQUEST FOR SOLE/SINGLE SOURCE PURCHASE

**DIRECTIONS:**

Complete this form for all purchase requests with a sole/single source vendor. Send to the Purchasing Office before purchasing the item(s) along with the letter from the vendor indicating they are the sole/single supplier. If over \$34,999.99, attach a copy of the legal ad and place on council

**Subject:** FW: Ice Bumper Car Purchase Order  
**Attachments:** Cheyenne PO 32518.pdf

Good afternoon Sara,

**I have attached the quote for the 20 Bumper cars we would like to order for the Ice and Events Center. Below is a note from Mike Farny explaining that his company is the only manufacturer and distributor of these cars in the United States.**

As you are aware, IBC International is the only manufacture and distributor of ice bumper cars in the United States. The Cheyenne Ice Center will be the 6th ice rink in the United States to operate IBC International's ice bumper cars. What is really exciting, the Cheyenne Ice Center will host/operate the largest fleet of ice bumper cars in the United States. Second to Cheyenne Ice Center is the Providence Rhode Island ice rink who has 16 cars.

**Let me know if you need anything else from me. We'd like to get this on the next council agenda. The line item number for payment is 022-26-2614-45-43102**

Thanks in advance for your help.

**Subject:** Ice Bumper Car Purchase Order

Jason,

I have attached a purchase order for 20 premium ice bumper cars. As per your conversations with Mike, it includes summer motor wheels for use on concrete and the premium battery package. Once you review the PO, could you please sign and return it to me so we can start production on your cars as soon as possible? Please let myself or Mike know if you have any questions.

We are excited to see the success ice bumper cars will have at your rink and we look forward to working with you moving forward.

Thanks,

Luke

**To:** Sara Vasquez  
**Subject:** Bumper cars

Jason,

Super excited for Cheyenne, I know the ice bumper cars are going to be very success for your operation and community.

As you are aware, IBC International is the only manufacture and distributor of ice bumper cars in the United States. The Cheyenne Ice Center will be the 6th ice rink in the United States to operate IBC International's ice bumper cars. What is really exciting, the Cheyenne Ice Center will host/operate the largest fleet of ice bumper cars in the United States. Second to Cheyenne Ice Center is the Providence Rhode Island ice rink who has 16 cars.

I am currently putting together a quote for your review. From our conversation yesterday, I understand you would like this quote to include the following:

- 20 ice bumper cars with both summer hard surface tires and winter ice tires. Cars to have IBC International premium battery package which will allow up to 6 hours of operating time.
- 1 manual/electric stacker lift to allow cars to be stored on elevated shelves
- Spare parts needed to keep fleet operating for a year

if I have missed anything please let me know.

Cheers and congratulations,  
Mike

## REQUEST TO PURCHASE OVER \$35,000.00

The City of Cheyenne requests to purchase twenty (20) premium Ice Bumper Cars to be used at the Ice & Events Center for the City of Cheyenne Community Recreation & Events Department from IBC International, Steamboat Springs, CO in the amount of \$148,700.00. This is a sole source purchase; therefore, no bids were requested.

This will be reviewed by City Council at Finance on April 16, 2018 and voted on at the April 23, 2018 City Council meeting.

If you have any questions, please call Sara Vasquez at 307/637-6345.
