The failure of the Contractor to remove any equipment within the twenty (20) calendar-day period after the conclusion of the scheduled playing season shall result in the forfeiture of such equipment or material without any additional notice. Any notice provided by the City to the Contractor to clean the facilities or to remove any equipment or material after the twenty (20) day period following the end of the scheduled playing season shall not be deemed to be a waiver of the City's right to enforce the provisions contained within this numbered section of this Agreement.
