RESOLUTION NO. _____

**ENTITLED: "A RESOLUTION DIRECTING THE DELIVERY OF A
COMPREHENSIVE REPORT ON THE STATUS OF THE COMPLETION
OF THE 26TH STREET STORM SEWER INTERCEPTOR PROJECT."**

WHEREAS, the long planned 26th Street storm sewer interceptor project from O'Neil Avenue to Capitol Avenue is the final phase of a comprehensive infrastructure upgrade to protect the health, safety and property in the Original City portion of the City of Cheyenne; and

WHEREAS, immediate flood protection of the Wyoming State Capitol and the Herschler Building is a critical need as the 300 million dollar Capitol Square project nears completion; and

WHEREAS, the 26th Street storm sewer interceptor will convey storm water to Crow Creek, away from the heart of downtown Cheyenne; and

WHEREAS, the City Council is currently evaluating funding mechanisms for a number of projects, including the reconstruction of Evers Boulevard, the Christensen Road overpass and the new Municipal Court building, and accurate and up to date financial projections are an immediate need.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, WYOMING, that Amy Allen, City Engineer, and Ron Downey, City Treasurer, are hereby directed to consult within two (2) weeks of the adoption of this resolution with Wyoming Special Assistant Attorney General Mike O'Donnell, and deliver to the Governing Body a comprehensive written report detailing the steps necessary to fund, finalize design, bid and construct the 26th Street storm sewer interceptor from O'Neil Avenue to Capitol Avenue during the calendar year 2019.

PRESENTED, READ AND ADOPTED this _____ day of _____, 2019.
