

CITY ENGINEER'S OFFICE
2101 O'Neil Avenue
Cheyenne, Wyoming 82001

A COMMUNITY OF CHOICE

MEMO

TO: Honorable Mayor Marian J. Orr, City of Cheyenne
Members of the City Council, City of Cheyenne

FROM: Wesley D. Bay, P.E., Deputy City Engineer

DATE: February 5, 2019

SUBJECT: Professional Service Agreement between the City of Cheyenne and Short Elliott
Hendrickson (SEH) Inc. for the design of Sunset Drive and Miller Lane
Improvements Project.

Please find the attached Professional Service Agreement between the City and SEH Inc. for engineering services related to the addition of asphalt paving and curb and gutter to the aforementioned streets. Design limits for Sunset Drive will be between Quincy Road and Kornegay Court encompassing one city block. Design limits for Miller lane will be between Sunset Drive and Townsend Place encompassing two city blocks.

Engineering Staff evaluates fee proposals for engineering services based on time and material estimates for the specific project. Those costs are readily tracked and verified during design operations and the City only pays for the actual time expended. We believe this agreement will provide the required services to complete the design portion of the project.

The fees include services for project management associated with the design, topographical surveying, geotechnical investigation, geometric design, and plan creation. The total professional services will be a cost not-to-exceed \$50,260.31. Funding for this project will come from the 2015-2018 5th Penny sales tax. We respectfully request your approval of this professional services agreement.

City Contract # _____

PROFESSIONAL SERVICES AGREEMENT

for

Engineering Design Services for the Miller Lane and Sunset Drive Reconstruction Project

THIS AGREEMENT is made and entered into this _____ day of _____, 2019, by and between the City of Cheyenne, located at 2101 O'Neil Avenue, Cheyenne, Wyoming 82001 ("City"), and Short Elliot Hendrickson Inc., located at 4007 Greenway St., Ste. 201, Cheyenne, WY 82001 ("Consultant").

RECITALS

In consideration of the mutual covenants and obligations herein expressed, it is agreed by and between the parties as follows:

1. SCOPE OF WORK

The Consultant agrees to provide services as described for the above-mentioned project, in accordance with the Scope of Work attached hereto as Exhibit A, incorporated by reference and expressly made a part hereof.

2. TIME OF PERFORMANCE

The work included in this Scope of Work will be completed by November 26, 2019, as stated in Exhibit A.

3. CONSULTANT RESPONSIBILITY

In providing services under this Agreement, the Consultant shall perform in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances at the same time and in the same or similar locality. Upon notice to the Consultant and by mutual agreement between the parties, the Consultant will, without additional compensation, correct those services not meeting such a standard.

4. COMPLIANCE WITH LAWS

The Parties agree that they will perform their obligations as provided in this Agreement in accordance with all applicable laws and ordinances.

5. DRUG-FREE WORKPLACE

In compliance with the Drug Free Work Place Act of November 1988, the City of Cheyenne has established an Alcohol and Controlled Substance Policy that pertains to alcohol and drug usage by City Employees. All architects, engineers and other consultants

under contract with City of Cheyenne, and their employees and sub-consultants, are required to comply with the provisions of the City's Alcohol and Controlled Substance Policy for drug and/or alcohol usage on City property or other sites occupied by the Consultant while performing the duties and responsibilities of the Agreement. It is the responsibility of the Consultant to familiarize themselves with the requirements of this policy and to inform all their employees and sub-consultants of the requirements and ensure their compliance. If the Consultant, their employees or sub-consultants are found in violation of this policy, the Agreement may be terminated.

6. **INDEMNIFICATION/HOLD HARMLESS**

The Consultant agrees to indemnify, hold harmless and defend the City from and against any and all liabilities, claims, penalties, forfeitures and suits, and the cost and expenses incident thereto, including reasonable attorney's fees, which may hereafter arise as a result of death or bodily injury to any person, destruction or damage to any property, contamination of or adverse effects on the environment, or any violation of governmental laws, regulations or orders to the extent caused by (1) the Consultant's breach of any term or provision of this Agreement; or (2) any negligent or wrongful act, error or omission by the Consultant, or its employees or sub-consultants in the performance of this Agreement. The Consultant acknowledges that it may incur a financial obligation to the City pursuant to the terms of this paragraph.

7. **INSURANCE REQUIREMENTS**

The Consultant must provide proof of the following insurance coverages:

Commercial General Liability Insurance

For claims arising out of bodily injury, illness or death, or from damage to or destruction of property of others, including loss or use thereof, with minimum limits of \$1,000,000 per occurrence, \$2,000,000 aggregate for the entire term of the Agreement.

Workers' Compensation

Workers' compensation coverage shall be in effect for the entire term of the Agreement, as required by Wyoming law, for all employees or agents providing services under this Agreement. Consultant shall provide the City with proof of workers' compensation or employer's liability insurance coverage.

Professional Liability Insurance

The Consultant shall provide proof of professional liability insurance or errors and omissions liability insurance in an amount not less than \$500,000 to protect the City from any and all claims arising from the Consultant's negligence in the performance of duties under this Agreement. The City prefers that this liability insurance coverage be provided pursuant to an "occurrence" policy.

If this coverage is provided pursuant to a "claims made" policy:

- a. Consultant shall, concurrently with the execution of this Agreement, provide the City with a certificate of insurance demonstrating that such coverage is or shall be in effect at the time the Consultant begins the provision of services under this

- Agreement; and
- b. In the event the Consultant's services extend into a future policy period, the Consultant shall, prior to the policy expiration date, provide the City with a new certificate of insurance demonstrating that such coverage is or shall be in effect during all periods of time that Consultant will provide services under this Agreement; and
 - c. Consultant shall maintain said "claims made" coverage for a period of five (5) years following the last date that Consultant has provided services under this Agreement; and
 - d. In the event the Consultant or the insurer terminates "claims made" coverage prior to the expiration of the periods provided in subparagraphs a., b., or c. of this paragraph, the Consultant shall provide to the City advance written notification of the termination of said coverage and shall provide the City with an endorsement for an extended reporting period ("tail coverage") which shall be in effect for a period of time not less than five (5) years following the last date that Consultant has provided services under this Agreement.

Additional Insurance Information

The Consultant shall name the City of Cheyenne as **an Additional Insured** by endorsement on its insurance policies, and shall provide the City with a copy of the endorsements. This requirement does not apply to workers' compensation and professional liability insurance policies.

Consultant shall provide the City with certificates of insurance acknowledging the above-stated coverages prior to beginning any work under this Agreement.

It is understood and agreed that these policies are primary and not contributory. All policies required under this Agreement shall be in effect for the duration of the Agreement. It shall be an affirmative obligation upon Consultant to immediately notify in writing the city risk manager, city clerk, and city attorney of any fact, circumstance, or occurrence that has resulted in or may result in the cancellation of, or substantive change to any insurance coverage required by this Agreement, and failure to do so shall be construed to be a breach of this Agreement.

If requested by the City, the Consultant shall provide the City with copies of insurance policies and/or policy endorsements listing the City of Cheyenne as an additional insured. The City's failure to request or review such policies, endorsements, or certificates shall not affect the City's rights or Consultant's obligation hereunder.

Any insurance company providing coverage under this Agreement shall have a minimum A. M. Best rating of A- (excellent).

- 8. **MINORITY AND DISADVANTAGED BUSINESS ENTERPRISES** 49 C.F.R. Part 26
All parties to this Agreement assure that no person will be excluded from participation in, denied the benefits of, or otherwise discriminated against, in connection with the award and performance of this Agreement on the grounds of age, race, color, disability, national origin or sex.
- 9. **COMPENSATION**
In consideration of the services to be performed pursuant to this Agreement, the Consultant

will bill the City and the City agrees to pay Consultant a not to exceed amount of Fifty Thousand Two Hundred Sixty Dollars and Thirty-One Cents (\$50,260.31) as stated in Exhibit A.

10. MONTHLY REPORT

With every monthly billing, Consultant shall provide the City Representative with a written statement of the status of the work with respect to the Scope of Work, time sheets, and work schedule. Failure to provide the required monthly report will delay processing of any payment request until the report is submitted.

11. INDEPENDENT CONSULTANT

The Consultant shall function as an independent consultant for the purposes of this Agreement. The Consultant shall assume sole responsibility for any debts or liabilities that may be incurred by the Consultant in fulfilling the terms of this Agreement. Nothing in this Agreement shall be interpreted as authorizing the Consultant or its agents or employees to act as an agent or representative of or on behalf of the City or to incur any obligation of any kind on the behalf of the City.

12. TAXES

The Consultant agrees to pay all valid taxes, excises, license fees, permit fees, bills, debts and obligations incurred by and in connection with its operations under this Agreement.

13. DEFAULT

Each and every term and condition in this Agreement shall be deemed to be a material element of the Agreement. In the event either party should fail or refuse to perform according to the terms of this Agreement, such party may be declared in default.

14. REMEDIES

In the event a party has been declared in default, such defaulting party shall be allowed a period of fifteen (15) days within which to cure the default. In the event the default remains uncorrected, the non-defaulting party declaring default may elect to:

- a. Terminate the Agreement and seek damages, which damages shall not exceed the contract amount; or
- b. Treat the Agreement as continuing and require specific performance.

15. TERM AND TERMINATION

The term of this Agreement shall be as set forth in Paragraph 2. The parties may by mutual written agreement extend this Agreement.

The City may, without cause, and upon thirty days' written notice to the Consultant, terminate this Agreement in whole or in part at any time, for the City's convenience. Upon receipt of such notice, the Consultant shall:

- a. Discontinue all services affected; and
- b. Deliver to the City within five (5) days all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Consultant in performing this Agreement, whether completed

or in process.

- c. In the event of termination for convenience, the City will pay the Consultant for accepted work done and expenses incurred to the date of termination. Such acceptance shall not be unreasonably withheld.

16. ADDITIONAL REMEDIES

In the event the Consultant fails to strictly perform in accordance with this Agreement, the City may elect to correct the deficiencies and charge the Consultant. In the event of default of any of the conditions by either party which shall require the party not in default to commence legal or equitable action against the defaulting party each party shall bear its own costs and expenses, including without limitation, attorney's fees.

17. GOVERNING LAW, JURISDICTION AND VENUE

The construction, interpretation and enforcement of this Agreement shall be governed by the laws of the State of Wyoming. The courts of the State of Wyoming shall have jurisdiction over any action arising out of this Agreement and over the parties, and the venue shall be the First Judicial District, Laramie County, Wyoming.

18. GOVERNMENTAL IMMUNITY

The City of Cheyenne, along with its officials and employees, does not waive its governmental immunity by entering into this Agreement, except to the extent necessary for the parties to pursue a contract action to clarify or enforce the written terms of the Agreement. Furthermore, the City specifically retain all immunities and defenses available to it as a sovereign or governmental entity pursuant to Wyo. Stat. § 1-39-101, *et seq.*, and all other relevant state and federal law. Designations of venue, choice of law, enforcement actions, and similar provisions should not be constructed as a waiver of governmental immunity. The parties agree that any ambiguity in this Agreement shall not be strictly construed, either against or for either party, except that any ambiguity as to governmental or sovereign immunity shall be construed in favor of governmental immunity.

19. MONITORING ACTIVITIES

The City shall have the right to monitor all activities related to this Agreement that are performed by the Consultant or its sub-consultants. This shall include, but not be limited to, the right to make site inspections at any time and with reasonable notice; to bring experts and consultants on site to examine or evaluate completed work or work in progress; to examine the books, ledgers, documents, papers, and records pertinent to this Agreement; and to observe personnel in every phase of performance of the related work.

20. NON-DISCRIMINATION

The Consultant shall comply with the Civil Rights Act of 1964, the Wyoming Fair Employment Practices Act (Wyo. Stat. § 27-9-105, *et seq.*), the Americans With Disabilities Act (ADA), as amended, 42 U.S.C. § 12101, *et seq.*, and the Age Discrimination Act of 1975 and any properly promulgated rules and regulations thereto, and shall not discriminate against any individual on the grounds of age, sex, creed, color, race, religion, national origin, ancestry, pregnancy or qualifying disability in connection with the performance under this Agreement.

21. PROFESSIONAL REGISTRATION

The Consultant shall endorse, as required by law, plans and reports prepared under this Agreement, and shall affix thereto his or her seal of professional registration, showing that he or she is licensed to practice in the State of Wyoming, if necessary.

22. ENTIRETY OF AGREEMENT

This Agreement consisting of 6 pages, and Exhibit A consisting of 9 pages, contains the entire understanding of the parties. There are no other terms or conditions, written or oral, concerning or controlling this matter.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals effective the day and year first above written.

Exhibit A – SCOPE OF WORK

STAFFING

Work will primarily be completed out of SEH's Cheyenne, Wyoming office. Ken Hodgen, P.E. will be the primary point of contact throughout the plan development. Topographic surveying will be provided by SEH in-house staff. Coring and geotechnical investigation will be completed by Terracon, of Cheyenne, Wyoming.

SCHEDULE

It is understood that the project construction must be completed by November, 2019 to utilize all grant monies. The City has indicated a Notice to Proceed date on or around March 1, 2019. With those dates in mind, we propose the following schedule:

Task	March	April	May	June	July	August	September	October	November
NTP	X								
Project Kickoff Meeting	X								
Obtain Background Information									
Topographic Surveying									
Geotechnical Investigation									
60% Design									
City Review									
95% Design									
City Review									
Final Documents									
Advertisement for Bids									
Bid Opening									
Frontier Days									
Construction									
Construction Closeout									

The schedule will provide some cushion to complete the construction within the grant deadline date and accommodate shut down for Frontier Days in late July.

SCOPE OF WORK

1. Project Management
 - a. SEH will plan to attend two meetings during the development of the Construction Documents. These will include:
 - i. A Project Kickoff Meeting immediately after the Notice to Proceed to define project requirements regarding street classification, desired widths, extent of sidewalk improvements, review of the project schedule, and ensure permissions are in place from adjacent homeowners.

- ii. A 60% Design review meeting to discuss comments provided by City review and resolve any issues prior to proceeding with the 90% Design.
 - b. This work will also include administrative and coordination tasks, such as invoicing, updating the schedule, arranging meetings, and coordination with internal and external team members.
2. Preliminary (60%) Design Phase
- During the Preliminary Design Phase, SEH will develop preliminary plans and special provisions to a 60% level. GIS aerials and utility information will be provided by the City for the corridors for utility and property line identification.
- a. Conduct a geotechnical investigation to include 5 borings, 2 located in Sunset Drive and 3 located in Miller Lane. The geotechnical investigation will consist of field exploration, laboratory testing, engineering and project delivery. Borings will be field located prior to boring based on a site assessment and underground and overhead utility locations. The borings will extend to a maximum depth of 5-6 feet or until refusal. Samples will be taken at regular intervals to classify the soils and for laboratory testing.

The final geotechnical report will provide, at a minimum, location plans, exploration procedures and general results, boring logs, stratification based on soil classification, groundwater levels, moisture content, Atterburg Limits, particle size analysis, pavement design recommendation for flexible pavement, and subgrade preparation and earthwork recommendations.

- b. Conduct a topographic survey based on the City of Cheyenne Control Network to identify surface features, underground utilities, and elevations for the area approximately bounded by:
 - i. Sunset Drive from 50 feet south of the Miller Lane intersection to 50 feet north of the Quincy Road intersection and from the east to the west garage faces on each side of Sunset Drive.
 - ii. Miller Lane from the west right of way line of Sunset Drive to the east right-of-way line of Townsend Place and from the north to south garage faces or right of way lines, as applicable, on each side of Miller Lane.
 - iii. Regional detention basin southeast of the Yellowstone Road and Carlson Street including ground elevations and structure inlet elevations.

Utility locates will be completed and the horizontal utility locations surveyed based on those locates. SEH assumes that no utility potholing will be conducted for this project and vertical utility investigation is not required.

SEH has also assumed that no right of way delineation or legal descriptions are required and all work is to remain within the established road rights of way. The City will provide all effort related to obtaining the necessary property parcel on Miller Lane, either through acquisition or permanent easement.

SEH will notify all impacted landowners along the project corridor that topographic survey work will be conducted through direct mail and/or door hangers. Signed forms providing permission to access onto individual properties is not included in the proposed work. Any public communications will be provided to the city prior to distribution. The notice will identify the need to survey within the private property limits for the sole purpose of obtaining elevation data and surface features to ensure positive drainage and access.

- c. Prepare Preliminary (60%) Design Documents to include preliminary plans, special provisions, and cost estimate. The plans will be developed based on the Wyoming Department of Transportation Standard Specifications, Standard Plans, and Special Provisions, to the extent possible, supplemented by City of Cheyenne and Board of

Public Utility (BOPU) standards and specifications, along with project specific details and special provisions.

- i. SEH will conduct a background investigation to include obtaining GIS data, review drainage reports for the area, conduct a field reconnaissance investigation, and review the UDC requirements.
 - ii. Develop Preliminary Plans to consist of:
 1. Cover Sheet
 2. General Notes
 3. Typical Sections
 4. Demolition Plan Sheets
 5. Plan and Profile Sheets
 6. ADA and Driveway Grading Details
 7. Drainage Basin Grading and Improvements
 8. Project Specific Details
 - iii. Develop a Preliminary Cost Estimate.
 - iv. Develop Preliminary Special Provisions, if required.
 - v. Prepare a Drainage Impact Study per the UDC based on an estimated land disturbance of approximately 53,000 square feet. SEH will calculate the Water Quality Capture Volume (WQCV) and 10-year storm detention requirement per the Urban Drainage and Flood Control District (UDFCD). The results will be provided in a letter memo with calculations. The memo will identify work required within the regional detention basin, to be identified by the City, to compensate for these volumes. ~~Excavation and improvement requirements will be based on City of Cheyenne GIS contours and other provided data.~~
 - vi. Furnish three (3) copies of Preliminary Plans, Special Provisions, Preliminary Cost Estimate, and Drainage Impact Study to the City for review.
3. Final (95% and 100%) Design Phase
During the Final Design Phase, SEH will develop plans and special provisions to a 95% level, to be reviewed by the City to provide any additional comments. Bid Documents will then be prepared to a 100% level for construction.
 - a. Conduct a design review meeting to discuss City review comments and address other outstanding issues identified by SEH or the City.
 - b. Upon authorization to proceed from the City, incorporate comments, modifications, or changes identified during the design review meeting.
 - c. Develop Pre-Final (95%) Plans to consist of:
 - i. Cover Sheet
 - ii. General Notes and Summary of Quantities
 - iii. Typical Sections
 - iv. Demolition Plan Sheets
 - v. Plan and Profile Sheets
 - vi. ADA and Driveway Grading Details
 - vii. Drainage Basin Grading and Improvements
 - viii. Standard Details
 - ix. Project Specific Details
 - d. Develop itemized Bid Sheet.
 - e. Update Cost Estimate
 - f. Update Special Provisions, if required.
 - g. Furnish three (3) copies of Pre-Final Plans and Special Provisions, Pre-Final Cost Estimate, and Itemized Bid Sheet to the City for final review.
 - h. Develop Final (100%) Plans, Special Provisions, Cost Estimate, and Itemized Bid Sheet.
 - i. Furnish three (3) copies of Final Plans and Special Provisions, Final Cost Estimate, and Final Itemized Bid Sheet to the City for bid advertisement.

4. Attend pre-bid meeting organized and conducted by City staff and provide written responses to contractor questions for inclusion in City prepared Addenda. SEH has budgeted 12 hours for providing written responses to the contractor questions.
5. Assumptions:
 - a. The Preliminary Design City review will be completed within 10 working days and written comments will be provided to SEH as one document.
 - b. The Final Design City review will be completed within 5 working days and written comments will be provided to SEH as one document.
 - c. No right of way documentation or easements will be required.
 - d. No water main or fire hydrant lateral lowering or replacement is included.
 - e. No storm sewer pipe or structure design is included.
 - f. ~~The regional detention basin will not be topographically surveyed or have utility locates conducted.~~
 - g. Additional meetings, public involvement, mailings, presentations or other engagements not identified above will not be required.
 - h. Anything not specifically included herein is specifically excluded.
