MEMO

To: Honorable Mayor Patrick Collins and Members of the City Council
From: Sam Crowley, Planner I
Subject: A Resolution authorizing the expansion of the Capitol North Historic District and the addition of one hundred nineteen (119) structures to the contributing structures list maintained by the City's Planning Office.
Date: June 23, 2021

Background:

The item for consideration is a **Resolution**.

The proposed Governing Body review schedule is as follows:

- Introduction and Referral 6/28/2021
- Public Services Committee 7/07/2021
- Second and final reading 7/12/2021

Summary:

In 2019, the Cheyenne Historic Preservation Board decided to pursue expanding the Capitol North Historic District. A consultant, Terracon Surveying, was hired to evaluate the potential for expansion of the existing Capitol North Historic District listed in the National Register of Historic Places. The boundaries that were surveyed for consideration of the district expansion are from W. 29th Street north to Pershing Blvd and Capitol Avenue west to O'Neil and Bent Avenues. The consultant completed the survey, identifying 119 Wyoming Cultural Properties and updating the National Register Nomination for the district with those properties. The project was not completed as proposed due to an error in administrative procedures as the nomination was not recorded with the County Clerk within 90 days of the ratification. In 2021, the legal process was reopened by the Planning and Development Department and the Cheyenne Historic Preservation Board. This resolution serves to ratify the nomination to expand the district. The previous survey and list of Wyoming Cultural Properties will be applied. All legal procedures referred to in Cheyenne Municipal Code Chapter 2.64.070 have been followed. These procedures include the initiation of a petition by the Cheyenne Historic Preservation Board, mailed notice of the proposed designation, a neighborhood meeting, approval of 50% of all property owners in the district, a public hearing, and a second mailed notice. The original survey and map are included in this packet.

POSITION PAPER
Resolution No. _____

The governing body of the City of Cheyenne is required by City Code to approve by resolution all properties to be added to and removed from the City's Contributing Structures List.

Facts bearing on this request are as follows:

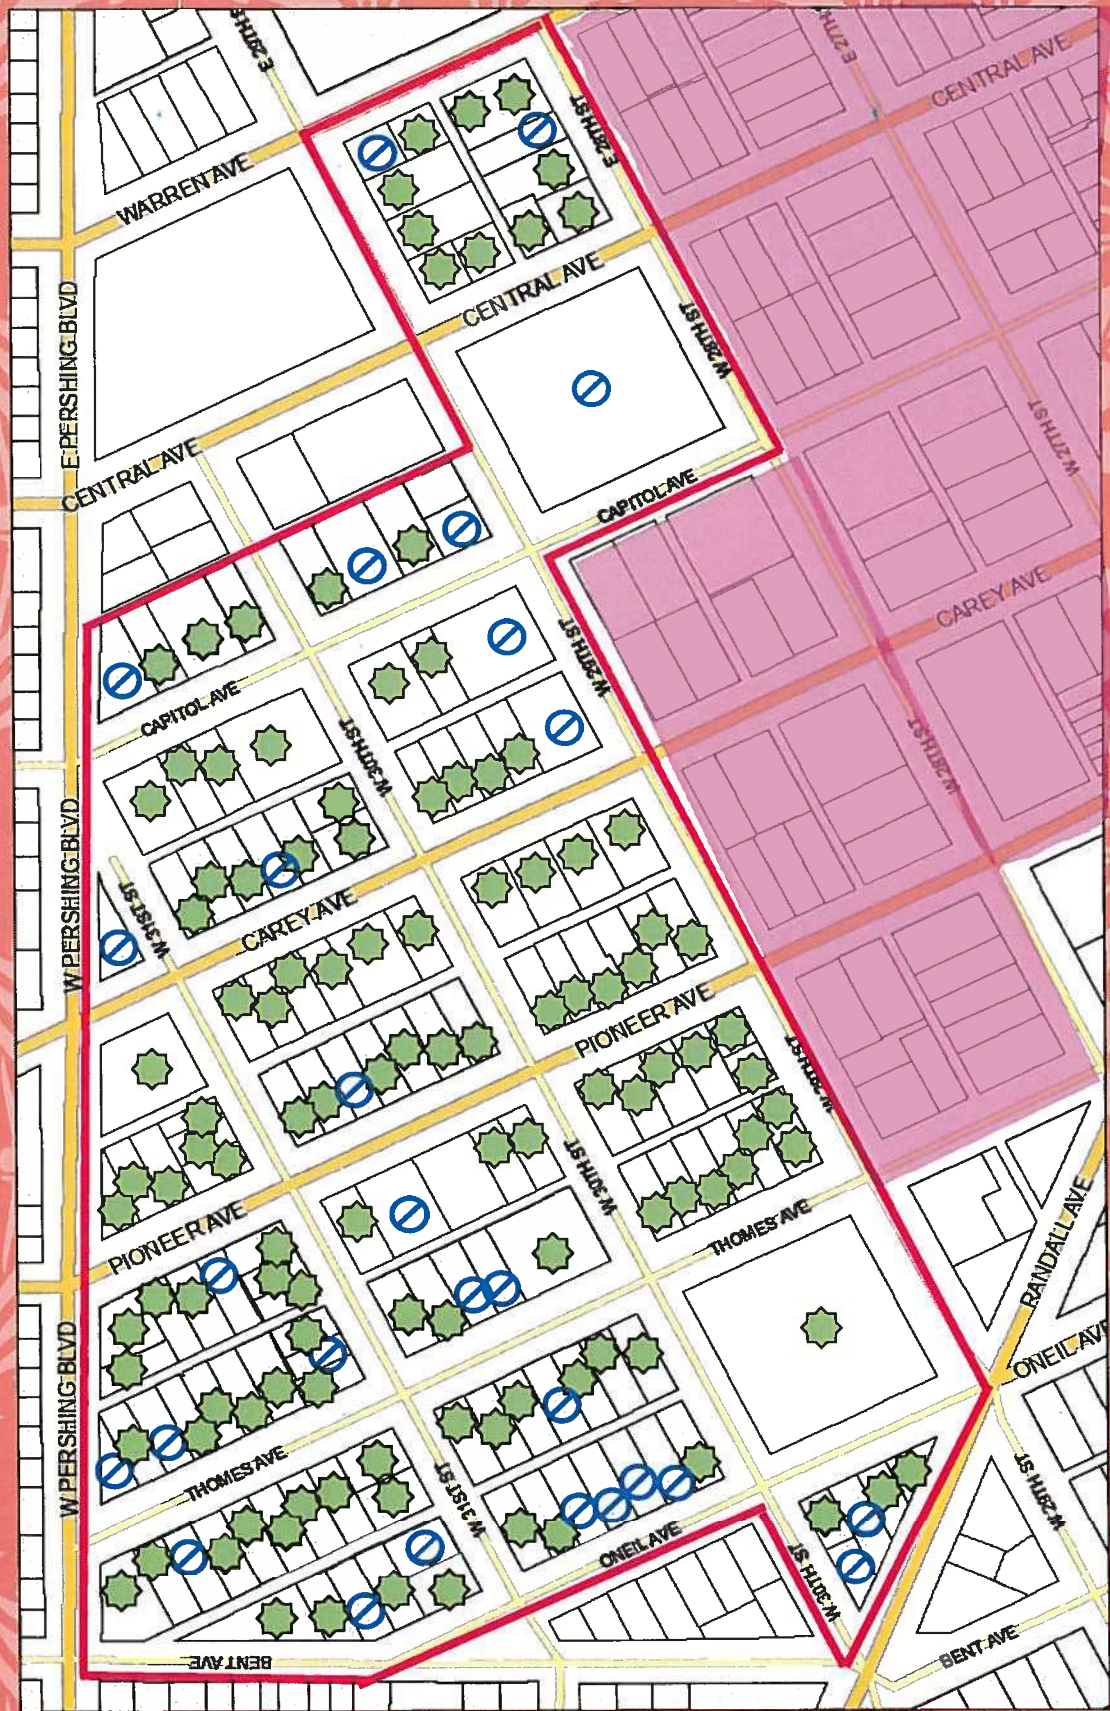

1. The city originally nominated this district to the National Register of Historic Places in 1980; it is the oldest residential neighborhood listed on the National Register in Cheyenne.
2. The CHPB applied for a Certified Local Government Grant in November 2017 to expand the existing district. The grant was approved by the State Historic Preservation Office in December 2017 for the amount of \$12,500.00. The expanded area in general was from 29th Street north to Pershing Boulevard and Bent Avenue east to Warren Avenue.
3. A Request For Proposal (RFP) was sent out in February 2018 to consultants; the project was awarded in April 2018.
4. The first public hearing was held on June 6, 2018 in Pando Park to inform the neighborhood of the project work that was about to begin. The neighbors were notified via letter through the USPS and a notice was published in the Wyoming Tribune-Eagle; there were thirteen (13) neighbors in attendance.
5. The consultant performed the necessary work over the summer. A second public hearing was held September 11, 2018 at the Municipal Building to update the neighborhood on the status of the survey and the draft report. The neighbors were again notified via letter through the USPS and a notice was published in the Wyoming Tribune-Eagle; there were four (4) neighbors in attendance.
6. Further refining of the survey forms and the draft National Register of Historic Places nomination was needed. A third public meeting was held on April 9, 2019 at the Municipal Building to inform the neighbors of the contributing/noncontributing status of the properties. The neighbors were notified via letter through the USPS; there were five (5) neighbors in attendance.
7. A fourth public meeting was held on May 14, 2019 at the Municipal Building for any final comments from the Board or the neighbors regarding the boundary, contributing/noncontributing list or the draft nomination. The neighbors were notified via letter through the USPS and a notice was published in the Wyoming Tribune-Eagle; there were six (6) neighbors in attendance. The Board approved the contributing/noncontributing list and the draft nomination with some minor staff edits to expand the Capitol North Historic District and moved to update the Contributing Structures List.
8. Additional neighborhood notification took place in June 2019. The CHPB Board members walked through the neighborhood with property information and deliver to each property owner. Those neighbors that are unreachable during this outing were notified via mail through USPS in June or July 2019.
9. The Planning Department noted in January of 2021 that there was an administrative error in procedures in which the Designation was not recorded with the County Clerk within 90 days of the governing body's ratification of the district.
10. The petition for designation was submitted by members of the Cheyenne Historic Preservation Board on April 13, 2021.
11. On May 3, 2021 a notice was published in the Wyoming Tribune-Eagle regarding the Public Hearing planned for May 25, 2021.
12. A notification was mailed to neighbors on May 11, 2021 to inform them of the proposed

designation and explain the administrative error, along with information about the Neighborhood Meeting and the Public Meeting to follow later that month.

13. A neighborhood meeting took place on May 18, 2021 at the Cheyenne City Activity Center to discuss the designation with neighbors and answer questions. There was one (1) neighbor in attendance.
14. The Public Hearing took place on May 25, 2021 and a motion was made to leave the Hearing open in order to verify the number of signature approval forms due to possible property ownership changes within the district.
15. The Public Hearing was closed on June 8, 2021 after verification that fifty (50) percent of property owners within the district approve the designation. The Board approved the contributing/noncontributing list and the draft nomination to expand the Capitol North Historic District and moved to update the Contributing Structures List.
